CROWDFUNDING FOR SCHOOLS

## Harness the power of crowdfunding Three months **FREE FUNDRAISING\*** for every school

Appealing to parents, the school community, and local businesses is a fantastic and increasingly popular way to raise the funds needed for those ongoing projects and “nice to haves” that make school such an enjoyable place to work and learn - especially when current budgets may only stretch just enough to cover the education provision. Unsurprisingly though, fundraising can quickly become a time-consuming and costly process.

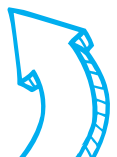

DonateMySchool - as the UK’s first and only dedicated crowdfunding platform for state schools - is making it simple for schools like yours to fund one-off inspirational projects such as a stunning new IT suite or collect regular donations for things like school trips and classroom equipment.

We take out all the hard work for you, including:

-  We provide a full suite of tools to help spread the word of your campaign
  - A dedicated campaign webpage including photos and even a video
  - Easy, one-click social media sharing including Facebook and Twitter
  - A bespoke campaign leaflet to print off and distribute
-  Real-time tracking and reporting on your campaign’s progress
-  We even collect Gift Aid on your behalf

## How does DonateMySchool work?

1

Register for your DonateMySchool account (it's free!)

2

Tell us about your school and what you're fundraising for

3

Market your campaign with our help through a webpage and unique URL, social buttons, and a bespoke leaflet

4

Accept one-off or regular donations to your campaign through your bespoke campaign webpage

5

Receive your project donations (plus a 25% Gift Aid boost) in one go or regular donations once a month

6

Stay informed on your fundraising progress with reports every month

To help your school get started, the first three months of fundraising are totally free of charge\*. There's no obligation with this - we'd simply like you to have the opportunity to kickstart your campaign or start collecting regular donations at no cost.

Go to [www.DonateMySchool.com](http://www.DonateMySchool.com) to register now or find out more, but if you'd like to talk through anything first, then please let me know.
